WHEREAS, the City Council of the City of Fallon, Nevada (the "Council," "City," and "State," respectively) proposes to incur an installment purchase agreement of the City in an amount up to \$489,989 (the "Obligation") under Chapter 350 of Nevada Revised Statutes ("NRS"), in order to finance the costs of acquiring a Vacuum Truck for use by the City's Electric, Water and Sewer Departments (the "Purchase"); the Obligation to bear interest at a rate or rates which do not exceed by more than 3% the "Index of Twenty Bonds" most recently published in The Bond Buyer before bids are received for the Obligation or negotiated offers are accepted, and to mature within 10 years of the date of issuance thereof, in order to pay the costs of the Purchase (the "Proposal"); and

WHEREAS, the City Council has determined that legally available funds of the City will at least equal the amount required in each year for the payment of interest and principal on the Obligation; and

WHEREAS, all comments made at the public hearing have been duly considered by the Council and the minutes of such public hearing are attached hereto as Exhibit "C."

# NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF FALLON, NEVADA:

Section 1. This resolution is hereby designated by the short title the "2020 Electric, Water and Sewer Enterprise Fund Vacuum Truck Installment Purchase Agreement Authorization Resolution" (the "Resolution").

Section 2. The City Council hereby finds and determines that the public interest requires an installment purchase agreement to finance the costs of the Purchase, in an amount not to exceed \$489,989.

Section 3. The facts upon which the finding stated in Section 2 above are:

- (a) The Purchase is necessary to replace the Vacuum Truck which is essential to the efficient operation of the City's Electric, Water and Sewer Department in the City and which has exceeded its useful life.
- (b) A Vacuum Truck is instrumental to the provision of utility services and are essential to the health, safety and welfare of the City and its citizens and therefor it is in the best interests of the City and its citizens if the Purchase is now accomplished;
- (c) It is not feasible to finance the Purchase from other funds of the City, or by other methods of financing, because of restraints on the City's budget for the current fiscal year, other demands on and needs for existing funds of the City, the imperative nature of the Purchase and other financial considerations.

Section 4. The City proposes to borrow a sum not to exceed \$489,989 at an annual interest rate estimated to be 3.18% to be repaid over a period of not more than 10 years. The Obligation shall be evidenced by the execution and delivery by the City of an installment

purchase agreement with a final maturity no later than 10 years after the date of execution and delivery of the Obligation (which term does not exceed the useful life of the Purchase), and the interest rate shall not exceed by more than 3 percent the "Index of Twenty Bonds" which is most recently published in <u>The Bond Buyer</u> before bids are received or a negotiated offer is accepted.

Section 5. The City Clerk and Treasurer of the City or his designee (the "Treasurer") is hereby authorized to arrange for and negotiate an installment purchase agreement in an amount not to exceed \$489,989, and to carry out the Purchase, subject to ratification by City Council. The installment purchase agreement executed and delivered to effect the Project shall be issued on such other terms and conditions as the City Council determines, all as provided in NRS 350.087 to 350.095.

Section 6. The Obligation shall not be paid in whole or in part from a levy of a special tax exempt from the limitations on the levy of ad valorem tax. Payment of the Obligation is estimated to range from \$7,531.13 to \$58,147.82 per year, for a period not to exceed 10 years. The source of the revenue that is anticipated to be used to repay the Obligation is the Operating Revenues generated from the City's Electric, Water and Sewer Fund. Existing levels of revenue are projected sufficient to afford repayment of the Obligation together with the maintenance and repair of the assets of the Electric, Water and Sewer Fund.

Section 7. The officers of the City be and the same hereby are authorized and directed to take all action necessary to effectuate the provisions of this Resolution, including, without limitation, forwarding all necessary documents to the Executive Director, Department of Taxation, Carson City, Nevada, and, if necessary, amending the City's capital improvement plan to include the Purchase, if necessary.

Section 8. The City Clerk and Treasurer is authorized to enter into the Obligation in the maximum aggregate principal amount of \$489,989 in such manner as he shall determine, and he is authorized to specify the terms and details of the Obligation, including, without limitation, the maturity date or dates, the interest rate or rates, the redemption features, if any, and the other terms and conditions thereof; all subject to ratification by the City Council.

Section 9. The officers of the City are hereby authorized to take all action necessary or appropriate to effectuate the provisions of this Resolution, including without limitation, assembling of financial and other information concerning the City, the Purchase and the Obligation, and negotiating the terms of the Obligation.

Section 10. The City Clerk and Treasurer shall, after negotiating the terms of the Obligation and after approval of the Obligation by the Executive Director of the Department of Taxation of the State of Nevada, present the proposed terms of the Obligation to the City Council for its approval.

Section 11. All resolutions, or parts thereof, in conflict with the provisions of this Resolution, are hereby repealed to the extent only of such inconsistency. This repealer shall not be constructed to revive any resolution, or part thereof, heretofore repealed.

Section 12. If any section, paragraph, clause or other provision of this Resolution shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or other provision shall not affect any of the remaining provisions of this Resolution.

Section 13. This Resolution shall become effective upon passage and approval, except for Section 8 of this Resolution which shall become effective upon the approval hereof, by the Executive Director of the Department of Taxation of the State of Nevada as provided in NRS 350.089, which approval shall be recorded in the minutes of the City Council at its next meeting following the approval by the Executive Director of the Department of Taxation.
