Citizen Survey Comments

- Because of the masks we have to wear I couldn't see the officers' facial expressions. He seemed very much in control of the entire situation which really impressed me. The officer was very professional, and I feel that he handled the situation very well. I'm really sorry I didn't catch the name of the dispatcher, but she was very efficient. Good Job Fallon Police Department !
- Thanks for the opportunity to respond to the survey!
- The only deficiency I noticed was the following: When Officer told the individual (unknown name) not to take the Walmart cart, the individual became argumentative and did not comply with the instruction the officer gave her. The individual just walked away with the Walmart cart. I do not agree that Walmart should have to put signs up saying not to take the carts when Walmart's name is on the carts. This is my opinion is theft. (Opportunity capability intent). Taking Walmart cart, Walgreens, or any other business that has carts off their property should be considered THEFT!
- The officer actually educated me as to the law concerning my reason for calling. Thank you all. God Bless!
